

## GATEWAY™ DICOM ROUTER + AZURE BLOB

### BENEFITS

- ✓ Encrypted TLS connection safely backs up your data on the cloud
- ✓ Multithreading allows faster transmission of multiple images and studies
- ✓ Automated data cleansing via DICOM scripting
- ✓ Scalable with unlimited storage on the cloud
- ✓ 99.9% uptime guaranteed
- ✓ Microsoft monitors your data 24/7 while RamSoft maintains it
- ✓ Soft delete feature on Azure Blob allows for recovery
- ✓ Geo-redundant storage protects data backups from natural disasters

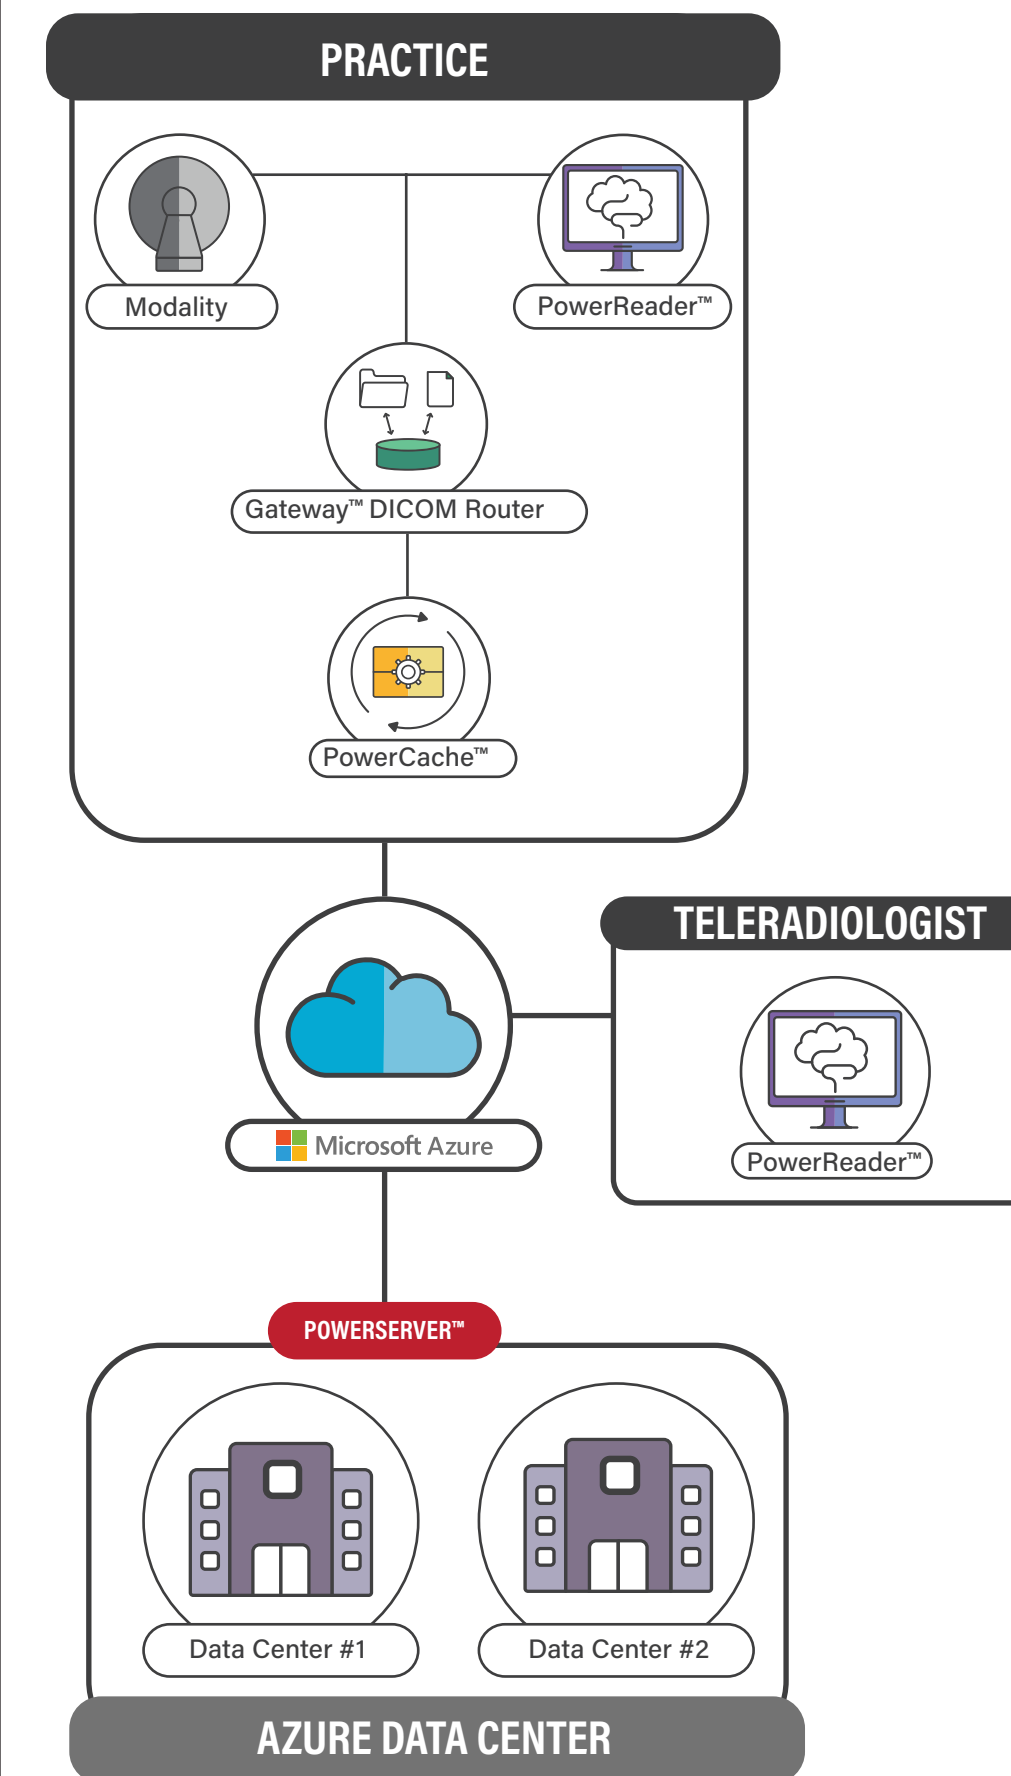

## GATEWAY™ DICOM ROUTER + POWERSERVER™ CLOUD

### BENEFITS

- ✓ Scalable with unlimited storage on the cloud
- ✓ 99.9% uptime guaranteed
- ✓ Microsoft monitors your data 24/7 while RamSoft maintains it
- ✓ Soft delete feature on Azure Blob allows for recovery
- ✓ Geo-redundant storage protects data backups from natural disasters

## GATEWAY™ DICOM ROUTER + POWERCACHE + POWERSERVER™ CLOUD

### BENEFITS

- ✓ With PowerCache, your images are pre-fetched and ready to view instantly on PowerReader™
- ✓ Scalable with unlimited storage on the cloud
- ✓ 99.9% uptime guaranteed
- ✓ Microsoft monitors your data 24/7 while RamSoft maintains it
- ✓ Soft delete feature on Azure Blob allows for recovery
- ✓ Geo-redundant storage protects data backups from natural disasters
